

Time Machine

Declan O'Rourke

Capo 2

Verse:

D G D
If I ever thought I had lost my friends
D G D
I'd roam this world till my back was bent
G A D
To find them all searching high and low
Em G A D
You can never enough friends, this much I know

Chorus :

Em **Bm** **A**
 If I had a time machine
Em **Bm** **A**
 and if I could live in my dreams
Em **Bm** **A**
 life is our only time machine
F# **G** **F#** **G**
 It only goes one way it seems
F# **G** **A** **D**
 we learn how as we float down streams
