

**E**  
We didn't mean to go to sea  
**C#m/A**  
We didn't mean to drift away  
**C#m**  
We never planned to up and leave  
**A**  
But still the sea took us away  
**E**  
We saw no lands on the horizon  
**C#m/A**

No distant shores along the fray  
**C#m**  
Yet all the more we found ourselves  
**A**  
When we got lost at sea that day

Verse 3:

**E** **C#m**  
Timbers creaked, all else was quiet and relieved  
**E** **C#m**  
Except the infant waves that licked and lapped along the eaves  
**E** **C#m**  
It had to dawn on us, our truth had been believed  
**A**  
Beyond all lies and jealousy

Verse 4:

**E**  
We sailed high wind half-mast  
**C#m** **E**  
Due north, towards the edge of our dreams grateful borders  
**C#m**  
That matched our speed to stay ahead  
**E**  
The afternoon was bleeding to death  
**C#m**  
And soon the sky was racing red  
**A**  
To see the stars remove their hats out of respect

(Chorus Repeat)

**C#m**: 224432
