

**Best I Can
Decyfer Down**

Song: Best I Can

Band: Decyfer Down

Tabbed By: DiscoFerret22

Tuning: Half Step Down...or you can play in standard just play the Eflat elsewhere. the half step down simply makes the Eflat easier to play. if you play in standard it just doesnt sound quite right.

Here are the chords as you play them with the tuning a half step down.
and if you play it in standard you would move the chords down a fret.
for example the F would be 1 3 3 not 2 4 4.
