A simple man in a complex world,

But I hear little voices and they say we re okay.  
Any you ll say I m a dreamer, we ll never be number one,  
But I just can t help thinking that the best songs go unsung.

And I wouldn't change a thing if my mother said to,  
So why should I change a thing because D.J. says?  
I thought that you'd agree, after all we've been through.  
No I wouldn't change a thing if a Leper said to.
