

All The Time In The World
Deep Purple

[Intro] C Bm A Dm C Bm

Bm

There s still a long way to go

G Bm

And the nights are closing in

But if I travelled any faster babe

G A

Lord knows where I might have been

Bm

Right from those early days

G Bm

I put my faith in the axle not the wheels

Like old Zeno s toytus

G D

With Achilles snapping at my heels

(Bm C G)

D C G

Don t worry

D

There s no hurry

C G

Here we are

Bm A Bm

With all the time in the world

Bm

I could have been a high-flying dealer

G Bm

But I have no desire for speed

I could have been a wild receiver

G A

But I ve got everything I need

Bm

And so I watch the world

G Bm

Go racing by tearing up the street

I lay back in the long grass

G D

Take it easy and rest my feet

(Bm C G)

D C

Don t worry

G D

You know, there s no hurry

C G

Here we are

Bm A Em

With all the time in the world

Bm

No-one ever held me back

G Bm

You know that no-one ever put me in chains

No-one ever saw me racing ahead

G A

No-one had to tug on my reins

Bm

As everybody knows

G Bm

I may be slow but I never quit

Sometimes on a good day I sit and think

G D

Sometimes I just sit

(Em C G)

D C

Don t worry

G D

Relax, there s no hurry

Here we are
