

**Fireball Solo**  
**Deep Purple**

i Was just listening to this and i looked for a tab of it. But to my dismay there was no solo, so i took it upon myself to work it out and post it here for all to see. So here it is. It ent hard but sounds pretty good. Please rate this and as i forgot to ask last time please rate my last tab too. Have fun and remember if in doubt use backspin.
