

Mitzi Dupree
Deep Purple

This is My first tab submit so please excuse the mess. I picked it up by ear with a help from my dad. Its missing the solo but other than that i think that the chords and the verse are correct I think but I do not have the exact way to strum them feel free to ad-lib to the them.

The intro part

```
E |-----| |
B |----6p4-----6p4-----| |
G |-----5p3---3--5-----5p3-----| |
D |-----3-----6~~~~-----| |
A |-----| |
E |-----| |
```

The Main Riff(play it twice like this, but the second time....

```
E |-----4-----| |
B |--6-4-----4-----6-4-----4--6-----| |
G |-----5-3---3--5-5--31-----5-3---3-5-----| |
D |-----6-----3-----6-----| |
A |-----| |
E |-----| |
```

Add this ending:

```
E |-----| |
B |--4-----| |
G |-----3---1-----| |
D |-----| |
A |-----| |
E |-----| |
```

Then the Verse Begins:

Flying to Salt Lake City, Seats 3a and b

```
E |--8-----6-----6-----8---6---6-----| |
B |--10-----8-----6-----10--8---6-----| |
G |--10-----8-----7-----10--8---7-----| |
D |--10-----8-----8-----10--8---8-----| |
A |--8-----6-----8-----8---6---8-----| |
E |--8-----6-----6-----8---6---6-----| |
```

And thats how it remains for the rest of the Verse till...

```
Oh that look in her eyes,      I can tell you no lies
E|--4--4-----4-----6--6-----4--4--4-----6--6---||
B|--4--4-----4-----6--6-----4--4--4-----6--6---||
G|--5--5-----5-----7--7-----5--5--5-----7--6---||
D|--6--6-----6-----8--8-----6--6--6-----8--8---||
A|--6--6-----6-----8--8-----6--6--6-----8--8---||
E|--4--4-----4-----6--6-----4--4--4-----6--6---||
```

```
I m Just a Man,    She Made me feel like a king    (the Chorus then
E|--4--4-----4-----6--6--8--8-----6-4-----||
B|--6--6-----6-----8--8--8--8-----6-4-----||
G|--6--6-----6-----8--8--9--9-----5-3--3-5--||
D|--6--6-----6-----8--8--8--8-----6-----||
A|--4--4-----4-----6--6--10--10-----||
E|--4--4-----4-----6--6--8--8-----||
```

Goes back into the main riff. Each note that you hit should coincide with the world Ian is singing. The rest of the song is the same except after the second time you sing the Chorus to go into the solo instead of ending like the usual:

```
E|-----||
B|--4-----||
G|----3--1----||
D|-----||
A|-----||
E|-----||
```

the intro to the solo from the main riff goes like this(coming of the last note of the main riff):

```
E|--3--4--6-----||
B|-----||
G|-----||
D|-----||
A|-----||
E|-----||
```

And after you finish the solo just go back into the main riff and rinse and repeat.

flying to salt lake city,
seats 3a and b,
I was down and needed a window,
but in 3a sat mitzi dupree
she said hi I am mitzi,
the queen of the ping pong
where you going boy?
I said nowhere

she said I m moving on
I thought what is this,
i cannot resist,
here she is,
and i ve always wanted a girl
with a name
a name like mitzi dupree,

she said what do you do?
i said i m a singer in a band
she said ya i m an entertainer
reached out and took my hand
she was going to a mining town
way up north to do her show
i said it must be cold up there
she said depends on who you know
oh that look in her eye
i can tell you no lies
i m just a man
she made me feel like a king in my mind
i love you mitzi dupree

i said what is this queen of the ping pong business?
she smiled what do you think?
it has no connection with china
i said oow have another drink
well i knew right away
that i d seen her act before
in a room behind a kitchen in bangkok
and three or four times more in singapore
she may not be the first
but i know she ain t the worst
she was mine but i ran out of time
i miss you i love you mitzi dupree
my darling mitzi dupree
