->LYRICS:

1st VERSE:

Good Golly, said little Miss Molly
When she was rockin in the house of blue light
Tutti Frutti was oh so rooty
When she was rockin to the east and west
Lucille was oh so real
When she didn t do her daddies will
Come on baby, drive me crazy - do it, do it

CHORUS:

?Cause I m a speed king you go to hear me sing
Yeah, I m a speed king see me fly

2nd VERSE:

Saturday night and I just got paid
Gonna fool about ain t gonna save
People gonna rock, people gonna roll
Gonna have a party to save my soul
Hard headed woman and a soft hearted man
They been causing trouble since it all began
Take a little rice take a little beans
Gonna rock and roll down to New Orleans

3rd VERSE:

When she was rockin in the house of blue light
