G      C C      G      C C
Riding on the moonpath      in the silver of the night
G      C C      G      C C
The fragrance on the air      was of another time
D      G G      D      G G
I cried in all my innocence      you were dressed in white
D      G G      D      C C
and even if I d had the strength      I couldn t move to save my life
      I m tired of the bombs      I m tired of the bullets
