

The Shield  
Deep Purple

**F#** **F#m**  
Mama plays a queen on the hill built on a dream  
**F#** **E/F#** **F#**  
While the children play in the field  
**F#** **F#m**  
Papa smokes the pipe of a sweet and better life  
**F#** **E/F#** **F#**  
But how strong is the shield?  
**F#** **F#m**  
Can peace be found on the carpet above ground  
**F#** **E/F#** **F#**  
Where sky is forever blue  
**F#** **E** **A** **D**  
So let it pass baby now, the slow and riding cloud  
**G** **F#**  
Which may take me from you
