

Dont Be Sorry  
Deep Sea Arcade

CHORUS

F#m                    C#m            A                    G  
                      Dont be sorry for running around this crooked old town  
F#m                    C#m            A                    G            G    F#m  
                      And dont you worry            itll only drag you down            (arpeggio)

VERSE

F#m    A    D    G  
  G        F#m  
                      If youre leaving then its meant to be            a frozen I will make no sound  
(arpeggio)  
F#m    A    D    G            G  
  F#m  
                      I kept believing it was meant for me, yes id be finding love some how  
(arpeggio)

CHORUS

F#m                    C#m            A                    G  
                      Dont be sorry for running around this crooked old town  
F#m                    C#m            A                    G            G    F#m  
                      And dont you worry            itll only drag you down            (arpeggio)

VERSE

F#m    A    D    G  
  G        F#m  
                      And im awake up in the dead of night, silence in the crawling  
light (arpeggio)  
F#m    A    D  
  G        G        Bm  
                      And its been happening since the world began so ill find you in that long  
long love (arpeggio)

BRIDGE

D                    Bm    Fm    A    D  
                      Feel so lonely now, no one to tell.            Sittin here with my            oods and ends  
again  
                      Bm    Fm    A    D  
                      You come over...            sort it out. Damaged goods all dressed up some how

SOLO
