

Nwo

Deep Sea Diver

Tuning - standard

intro

D **Em** G **Bm** x2

versel

D **Em**  
This ain t no time to worry

G **Bm**  
This ain t no time to talk

D **Em**  
Nobody here is listening

G **Bm**  
Nobody here but us

D **Em**  
Hold your hands to my lips

G **Bm**  
And pull me in close

D **Em**  
Cause everyone s a vulture

G **Bm**  
Cept the man I love most

Chorus

( no chords till it starts strumming **Bm** next line)

As we walk in the valley of the shadow of death  
**Bm**

I feel the fear in your hollow spine is at rest  
(riff 1)

D **Em**
