Em **C**
So don't turn your back on this
G **Em** **C** **G** **D**
If all is lost, then how did we find love?
Em **C**
(and we could)Go back to the way it was
G **D**
And sacrifice the way it could be
Em **C**
We could fall apart

Em **G**
We're caught up in pain
C **Em** **C** **G** **D**
If all is lost, then how did we find love?
Em **G**
I found letters from better times
C **Em** **D**
That you had balled up and thrown away for me to find

Chorus :

Em **C**
(and we could)Go back to the way it was
G **D**
And sacrifice the way it could be
Em **C** **G** **D**
We could fall apart or we could fall in love again
Em **C**
(and we could)Go back to the way it was
G **D**
And sacrifice the way it could be
Em **C** **G** **D** **Em**
We could fall apart or we could fall in love again

Em **G** **C**
Is this all in vain?--you stepped on my heart,
Em **C** **G** **D**

You spit on my name--did you really need to?

Em **G** **C** **Em**

I made a promise I d never be caught up in pain

D
