Enjoy!

Em C So don t turn your back on this CG G Em D If all is lost, then how did we find love? Em C (and we could)Go back to the way it was G D And sacrifice the way it could be Em С We could fall apart Em G We re caught up in pain Em CG C D If all is lost, then how did we find love? Em G I found letters from better times Em D С That you had balled up and thrown away for me to find Chorus : Em C (and we could)Go back to the way it was G D And sacrifice the way it could be Em С G D We could fall apart or we could fall in love again Em С (and we could) Go back to the way it was G D And sacrifice the way it could be D Em C G Em We could fall apart or we could fall in love again

EmGCIs this all in vain?--you stepped on my heart,EmCCD

You spit on my name--did you really need to? Em G C Em I made a promise I d never be caught up in pain D But it seems the only way(that we could)

Chorus :

Em C Go back to the way it was G D And sacrifice the way it could be Em C G D We could fall apart or we could fall in love again Em С (and we could)Go back to the way it was G р And sacrifice the way it could be C Em G D We could fall apart or we could fall in love again C â€" G - Em D С And we found love С G You have taken the best of me Em D С And turned it in to the rest of you--untrue G Em D Like a moth to the flame that burns so clean--it s me C G (and i scream) You have taken the best of me Em C G Α But now all is lost....how did we find love? Em C Go back to the way it was G D And sacrifice the way it could be Em C G D We could fall apart or we could fall in love again Em С (and we could)Go back to the way it was G D And sacrifice the way it could be Em С G D We could fall apart or we could fall in love again Em C(Hold) We could fall in love
