

Friday Xiii
Deer Tick

[Key of C]

Em

Em

Come on baby, it s a quarter to five

Am

I ve been living on the couch and losing my mind

Em

I haven t gotten the touch in long, long time, since

B7

Em

Friday the 13th, Part 9, going to hell.

Em

Looking through all the magazines

Am

I can drink alot better than I could in my teens

Em

Haven t learned nothing but to kick and scream

B7

Em

But as civilized as we could ever dream on one Saturday.

G

Am

Come on baby, don t you feel alright

B7

Em

It feels like forever since I ve been warm at night

C

D

So let s get back to all that was fair and just

B7

C

D

G

Am

Won t you please love me again.

[The key changes to F here...]

Am

Kind of attraction I couldn t leave

Dm

Keep watching the static on TV

Am

Might be as well but not as bad

E7

Am

when your silence shows of our public failure.

Am

I woke up in the middle of the night,
Dm
Sheets soft, still, drunk, terrified,
Am
Something tells me you re not alive
E7 **Am**
Post keeps getting fatter.

C **Dm**
Come on baby, don t you feel alright
E7 **Am**
It feels like forever since I ve been warm at night
F **G**
So let s get back to all that was fair and just
E7 **F** **G** **C** **Em**
Won t you please love me again.

Em **Am** **Em** [**B7** **D**] **Em**

Em
Oh come on baby, You got something to lose
Am
I ll buy you new clothes, I ll buy you new shoes
Em
All kinds of things you really couldn t use
B7 **Em**
But all I need is you.

Em
I need you good, all your heart and soul
Am
We ve been living in the dar and digging our holes
Em
But all we need is under our nose
B7 **Em**
Boy don t you think I know, I guess so.

G **Am**
Come on baby, don t you feel alright
B7 **Em**
It feels like forever since I ve been warm at night
C **D**
So let s get back to all that was fair and just
B7 **C** **D** **G**
Won t you please love me again.
C **D** **Em**
Please love me again...
