Standing At The Threshold

Am

You and me created something special

Em

You and me always standing at the threshold

Am

Forgive me, I ve created a monster

Em

The police said that they cannot help your daughter

C

Am

Sometimes it takes a tough man to hide

Em

Sing it soft just like a lullaby

F E

I ll fall apart from the inside and die

Am

Kept my faith from the day that you left

Em

With a big old hallelujah carved into my chest

Am

You smothered me in images of death

Em

Don t play around now, take my life instead

C

Am

Sometimes it takes a tough man to hide

Em

Sing it soft just like a lullaby

F E

I ll fall apart from the inside and die

C

Am

I don t doubt that everything is what you gave me

F

G

but I ve gotta be frank, and baby

C Am F G G#dim

It just wasn t enough
