

Death In Midsummer
Deerhunter

Deerhunter - Death in Midsummer

[Intro]

A [X8]

[Verse]

A **A**
Come on down from that cloud
A **D** **G** **C** **A**
And cast your fears aside
A **A**
You re all here and there
A **D** **G** **C** **A**
And there s nothing inside
A **A**
May God s will be done
A **D** **G** **C** **A**
In these poisoned hills
A **D** **G** **C** **A**
And let the devil be cast out on his tail

[Chorus]

A **G** **C** **A**
There was a voice that called me
A **G** **C** **A**
There was a light that burned me

[Verse]

A **A**
Come on and let s be sure
A **D** **G** **C** **A**
Let s not pave the way
A
Your friends have died
A **D** **G** **C** **A**
And their lives, they just fade away
A
Some worked the hills
A
Some worked in factories
A **D** **G** **C** **A**
Worked their lives away
A **A** **D** **G** **C** **A**

And in time, you will see your own life fade away

[Chorus]

A **G** **C** **A**
There was no time to go back
A **G** **C** **A**
There was no time to go back

[Bridge]

A A D G C A A [X2]

[Verse]

A
They were in hills
A
They were in factories
A **D** **G** **C** **A**
They are in graves now
A **A**
They were in debt to themselves
A **D** **G** **C** **A**
And what is it made of now?

[Outro]

A **G** **C** **A**
I go around and feel how it fades
A **G** **C** **A**
I walk around and I see what s fading
A **G** **C** **A**
Walk around and you ll see how it fades
A **G** **C** **A**
Walk around and you ll see what s faded
