

**Neon Junkyard**  
**Deerhunter**

i saw the chords in a recent youtube video in a Deerhunter presentation,so, the credits are to bradford cox

A)

**F#m**

Finding the fluorescence in the junk

**E**

By night illuminates the day

**F#m**

Finding ancient language in the blood

**E**

Fading a little more each day

B)

**B**

And if you ve got a lot of pain

**A**

You remember how to speak

**B**

And if you gather all the rain

**A**

Yeah it s still coming down in sheets

**A)**

Neon rust puts color in the blood

Call upon the words to speak

Everything is the same as it was

But now there s nothing left to change

**B)**

And if you gather it you won t

Be drowned by rain

And if you memorize the words

They will show you the way
