

**Nitebike  
Deerhunter**

All bar chords, listen to the song for the correct timing, which is slightly odd in this song.

Start: D

          D                  E  
I was spinning my big wheels  
          A          G          F#m          Bm  
They were stuck and I was stuck to them  
          A          C#m          Bm  
The night was clear and I was clear  
          A  C#m  Bm  
And I was only          of age one year

          D                  E  
I was on the cusp of a breakthrough  
          A          G          F#m          Bm  
When they took me out and stuck it in  
          A          C#m          Bm  
It went so deep, man, and these scars you relate to  
          A          C#m                  Bm  
Are only burdens to me, ooh

          D          E          A          G          F#m          Bm  
I was a dream, a dream, a dream  of myself  
          A                  C#m          Bm  
I was no longer in good health, ooh

          D          E          A          G          F#m          Bm          A          C#m          Bm  
Ooooh

          D          E  
Have you ever been here?  
          A          G                  Bm  
Or some place else you can relate to  
          A                  C#m          Bm  
Out of fear, out of trials and error

          D          E          A          G          F#m          Bm          A          C#m          Bm  
Ooooh

**E F#m D**  
 I was no longer mine  
**E F#m D**  
 I had pantomimed  
**E F#m D**  
 I had felt for lights  
**E F#m D**  
 I had grown to find  
**E F#m D**  
 I had no place in mind  
**E F#m D**  
 When I began to drive  
**E F#m D**  
 No destination  
**E F#m D**  
 No destination

**D E**  
 Say you can be my babe  
**A G F#m Bm**  
 You ll want to relate, you ll want to stay  
**A C#m Bm**  
 Oooh

**D E**  
 I was feeling real bad  
**A G F#m Bm**  
 And I found all my problems  
**A C#m Bm**  
 I found all my problems  
**A G F#m Bm**  
 They came flying up to me

**D E A G Bm A C#m B**  
 Oooh
