&#8232; **A** **B**  
Two weeks of misery  
**A** **B**  
Capture my heart and destroy me  
**A** **B**  
Destroy my mind and my body  
**A** **B**  
Invade like a disease and conquer me

**A** **G#m** **B** **F#**  
My wild excuse could not believe  
**A** **G#m** **B** **F#**  
I know I can stop breathing  
**A** **G#m** **B** **F#**  
I see the light I want to see  
**A** **G#m** **B** **F#**  
I hold the hand that beckons me

**A** **B**  
Do you believe in love at first sight  
**A** **B**  
Oh yes my son I did the first time  
**A** **B**  
Oh yes my son I did before I died  
**A** **B**  
And now it does me no good here on the other side

**A** **G#m** **B** **F#**  
I know my place without a face  
**A** **G#m** **B** **F#**  
A cold embrace then all is waste  
**A** **G#m** **B** **F#**  
Till I can find a new escape  
**A** **G#m** **B** **F#**  
Reborn again some other placeÂ
