

Come Undone

Def Leppard

Intro: Bb Ab (If you listen to the song, you can pick up the picking pattern)

Bb

Come on in, welcome, enter

Ab

We got you front row center for the freakshow parade

Bb

Everybody wants to be you

Ab

But I know you see right through this sad masquerade

F#

C# Eb

You wrap your arms around me like a wire

F#

You reach into my soul

C#

Pull out the fire

Bb

Ab

When I come undone I know you re the only one

Eb

Bb

Who can touch me when I call out your name

Bb

Ab

When I come undone I know you re the only one

Eb

Bb

Who can put me back together again

Bb

You got what it takes to make me

Ab

So won t you come and shake me out of this haze

Bb

All tomorrow s dreams you re selling

God knows but He s not telling

Ab

He s had better days

F#

C# Eb

I wake to hear a voice above me calling

F#

You drag me to my knees

C#

Eb

But I m still falling

Bb

Ab

When I come undone I know you re the only one

Eb

Bb

Who can touch me when I call out your name

Bb

Ab

When I come undone I know you re the only one

Eb

Bb

Who can put me back together again

F#

Can't close my eyes

C#

Can't hide the fear

Ab

Eb

I feel the earth beneath my feet disappear

F#

I'm out of words

C#

I'm out of time

Ab

Give me your hand

Eb

Reach out for mine

Solo (Verse chords)

F#

C# Eb

You wrap your arms around me like a wire

F#

You reach into my soul

C#

Pull out the fire

Bb

Ab

When I come undone I know you're the only one

Eb

Bb

Who can touch me when I call out your name

Bb

Ab

When I come undone I know you're the only one

Eb

Bb

Who can put me back together again

Eb

Bb

Who can put me back together again

I'm still trying to get the ending, but am stuck at the moment. When I figure it out, I'll add it on.
