Lyrics:

You held my hand and then you slipped away,
And I may never see your face again

So tell me how I fill the emptiness inside
Without love....What is life?

And anyone who knew us both could see,
We always were the better part of me
I never wanted to be this free,
And all this pain, does it go away?

And every time I look around,
And you re nowhere to be found I know?

Chorus

I ve got a long, long way to go
Before I can say goodbye
To you, oh!
I ve got a long, long way to go
Before I can say goodbye
To all I ever knew
To you....To you

From memory there is no hiding place,
Turn on the T.V. and I see you there,
In every crowd there s always someone with your face
Everywhere, tryin not to care

And every time I look around,
And you re nowhere to be found I know?

Chorus

I wish you everything
An all the best that life can bring,
I only hope you think of me sometimes,
oh! And,
Even though I feel the pain
I know that I will love again,
The time will come, oh!
And I ll move on

Repeat chorus (fade to end)
