A **Dsus2**
 Could you ever steal a prayer to deny your God
A **Dsus2**
 Could you ever buy your love and not count the cost
A **Dsus2**
 Could you ever take a life when all was lost
E **D** **A**
 And would it ever be enough

Could you bite the hand that feeds you and then ask for more
 Could you kiss the wound that bleeds spit it on the floor
 Could you open up your heart then close the door
 And would it ever be enough

A **Bm** **(Bm7)**

Every word you whisper

A **Bm** **(Bm7)**

All the tears you hide

A **Bm7**

You die for love when it s alive

E7 **D** **A**

But where does love go when it dies

If you came across your dream would you walk on by

Hold a candle to the wind and just let it die

And is there room inside your mind for one more try

And would it ever be enough

C#m **Bm7**

I watch the time go rushing by it s like an ocean wave

C#m **Bm7**

Showing you no mercy throwing dirt upon your grave

C#m **Bm7**

You re drowning in the darkness and you re blinded by the light

C#m **D** **A**

And there ain t no prayer that s gonna save you now

(Better Use Barre Chords here)

If you woke up from your sleep blood on your hands

Would you wash the pain away no one understands

There must be someone out there who can help you breathe again

And would it ever be enough

There you go, it would sound great if you have some fine vocals while playing,
and I d love to see some rating also :)
