

**Faded**  
**Default**

This is pretty much how the whole song goes, atleast I thnk so.  
I m not 100 % sure on this but it s pretty close.

Standard tuning

```
-----  
---7---7-7-7--7-6-7-----7-6-7--4-44--7-6-7-----  
---7---7-7-7--7-7-7--5-55--7-7-7--4-44--7-7-7--2-22---5-55----  
---5---5-5-5--5-5-5--5-55--5-5-5--2-22--5-5-5--2-22---5-55----  
-----3-33-----0-00---3-33----
```

thats the first part and there s another part that he does that goes pretty much  
the same except like this...

```
-----  
-----  
---7---7-7-7--7-6-7-----7-6-7--4-44--7-6-7--9-9-9--11-12---  
---7---7-7-7--7-7-7--5-55--7-7-7--4-44--7-7-7--9-9-9--11-12---  
---5---5-5-5--5-5-5--5-55--5-5-5--2-22--5-5-5--7-7-7--9--10---  
-----3-33-----
```

Im not sure what order it goes in but thats pretty much it.
