So you grab on the reins and run in circles

You re going to crash and drag the world down with you

Only one thing remains

Repeat above for following verse and chorus:

Hey man be aware
 Better watch yourself today
 I know he don t care
 about you anyway

You can run but you can t hide
 from the guilt you built inside
 All the lies they won t forget
 Never will get over it

Thinking backwards
 How the hell did this get started
 Drowning faster

Down you go

You want to save they day
so you grab on the reins and run in circles
You re going to crash and drag the world down with you
Only one thing remains
