[Verse]

Am

You need to get out of this house
 Iâ€™ll walk you down to town
 Weâ€™ll go act our age
 Kick rocks, waste summer days
 Penny candy at the general store
 Iâ€™d buy us a pop if I had more
 Keep walking inland all day
 Spitting and cursing each otherâ€™s name

F **Am**
 â€œAinâ€™t this whatâ€™| ainâ€™t this what brothers are supposed to do?â€•
F **Am**
 The blood between us, makes it all but true

[Verse]

Am

So we roll on through
 Out past the quarries, sandpits too
 Swim out among the rocks and cliffs
 Ignorant youth keeps us from death
 Find our way out to the tracks
 The sun, it beats down on our backs
 Well, heaven help us if thereâ€™s a train
 Dodge it like the beaches of Normandybut

F **Am**
 â€œAinâ€™t this whatâ€™| ainâ€™t this what brothers are supposed to do?â€•
F **Am**
 The blood between us, makes it all but true

(The chords switch up here to C,G,Am,F The violin sounds good here so I added the violin below and you can play it with the strum pattern, I used an example after with the C chord)
