## This Feels Better Defiance, Ohio

Е

After weeks of winter that just wouldn t quit

Α

and headlines to remind me this world s gone to shit

C#m

I ride my skate to the park because sometimes that s all that someone can do

E

And I try no to think that it s only fashion

Α

and the teenage boys ain t patriarchy in action

C#m B

cause it s saturday morning with my friends and we re fucking trashing!!

Е

And this feels better

Α

this feels better this feels better

E

this feels better this feels better

B E

better than it has in weeks
