Album: Kasmodiah

Capo: 3rd Fret

Em **D**
Grey eyes flicker

Am **Em**
Cold is the weed

Em **Em**
Worn out shoes

D **Em**
Air full of grief

Em **D**
It is you now

Am **Em**
Stuck within

Em **Em**
Soul is burning

D **Em**
No chance to win

Em **Am** **Em**
What have you done to the game

Em **Am** **Em**
Was it a victory a shame

Em **D**
Where have you gone

Am **Em**
Before morning dew

Em **D** **Em**
The game will not end without you

Em **D**
Ears of lost minds

Am **Em**
Luke and torn

Em **Em**
Dresses rotten

D **Em**
And broken stores

Em **D**
And the meaning

Am **Em**
It s sold too soon

Em **Em**

Can the blister

D **Em**

Substitute the moon

Em **Am** **Em**

What have you done to the game

Em **Am** **Em**

Was it a victory a shame

Em **D**

Where have you gone

Am **Em**

Before morning dew

Em **D** **Em**

The game will not end without you

Em **D**

And the hot sun

Am **Em**

Paints the door

Em **Em**

Your philanthropist

D **Em**

Sighed once more

Em **D**

Wind was blowing

Am **Em**

Air through pipes

Em **Em**

Holes in bodies

D **Em**

Mortial crimes

Em **Am** **Em**

What have you done to the game

Em **Am** **Em**

Was it a victory a shame

Em **D**

Where have you gone

Am **Em**

Before morning dew

Em **D** **Em**

The game will not end without you
