Pre Verse: **A, D**

1st Verse:

```
A                                Dm
Melanie Banks where can you be?
A          F#          D          E
I haven't seen you since our graduation day
A                                Dm
And the years keep floating by
          A          F#          D          E
Are you doing well?    Is everything alright?
F#                                D
Remember our crazy night
E          A
After senior prom
F#                                D
We were naked in your pool
A                                E
And we got busted by your mom
```

Chorus:

```
          A    D                                E          D
Melanie ,  Where can you be?
          A    D          E                                D          A
Its been so long / I wonder if you ever think about me
```

2nd verse:

```
A                                Dm
Melanie Banks how have you been?
A                                F#          D          E
Someone told me you're living in New York again
A                                Dm
I called your mother's house today
A          F#          D                                E
But the message said    that she had moved away
F#                                D
I still laugh about the time
E                                A
```

You passed out in your car

F# **D**

With Mother's Milk on ten

A **E**

And your headlights on

Chorus:

Bridge:

B **D**

Just 8 words in my yearbook

B **D**

8 words was all you wrote

E **D**

And you didn't sign your name

A **E**

Just your initials and your quote

Chorus:
