[INTRO]

**G C G C G D C D G**

**G** **C** **C9** **C** **G**  
The bus is pulling out and I guess I d better go  
**Am** **C** **C9** **D** **D9**  
Before I make a grave mistake and let my feelings show

**G** **C** **C9** **C** **G**  
And twenty miles away she waits alone for me  
**Am** **C** **C9** **C** **D** **D9**  
But when I try to picture her you re the one I see  
**C** **G** **D** **C**  
And in another situation I could put up a fight  
**C9** **D** **G**  
But you will be my downfall tonight.

**G** **C** **C9** **C** **G**  
So the night is coming down, drowning us in blue  
**Am** **C** **C9** **C** **D** **D9**  
And it all points toward the things we know we shouldn t do

**G** **C** **C9** **C** **G**  
And as I look at you and fall under your spell  
**Am** **C** **C9** **C** **D** **D9**  
Well I know I should be thinking of her lying there herself.

**C** **G** **D** **C**  
And when faced with temptation you know a man should stand a fight  
**Am** **D** **G**  
But you will be my downfall tonight.

**Hm** **Hm7** **Hm** **D** **Dsus4** **D** **Am** **Am7**  
Be my downfall be my great regret be the one girl  
**Am** **Am7** **D** **Dsus4**  
That I ll never forget

**Am** **Am7** **D** **G** **C** **G** **C** **C** **D** **D** **G**  
Be my undoing be my slow road to ruin tonight.  
**Hm** **Hm7** **Hm** **D** **Dsus4** **D** **Am** **Am7**  
Be my downfall be my great regret be the one girl  
**Am** **Am7** **D** **Dsus4**

That I ll never forget  
**Am** **Am7** **D** **G** **G**  
Be my undoing be my slow road to ruin tonight.

**G** **C** **C9** **C** **G**

So the bus is pulling out and I m grounded here with you  
Am Am7 C C9 C D  
And I want to say the sweet things babe I ve always wanted to  
C G D C  
So tell me now the tail-lights have gone out of sight  
C D G  
Baby want you be my downfall once again tonight.

That s it. Hope you like it Juergen
