KISS THIS THING GOODBYE
Del Amitri

Intro: G C/G (3 times) D7

[tab]G C/G
It seems like weeks since you looked to me baby[/tab]
[tab] G C/G
Without that look of distaste[/tab]
[tab]G C/G
I don't know why your feelings are changing[/tab]
[tab] D7
But I've seen it in your face[/tab]
[tab]G C/G
All these times when our lips were kissing[/tab]
[tab] G D7
Our tongues were telling lies[/tab]
[tab] G C/G
And all those signs I've been missing[/tab]
[tab] A7 D7
Were right there in your eyes[/tab]
[tab] C G
So come on babe, let's kiss this thing goodbye[/tab]
[tab]C G C
Let's kiss this thing goodbye[/tab]

I sometimes feel when we're together baby
Everything has turned out wrong
And I know you feel exactly the same way
But still we carry on
I've been waiting up by the window
Watching these cars go by
And I tell myself that I'll go through the motion
For the last time tonight
So come on babe, let's kiss this thing goodbye, Let's kiss this thing goodbye

Now I'm watching the tunes foul up the sunrise
I'm watching the lights fade away
And I'm hoping tonight that I'll open the door

And you ll stand here and say

Come on babe, let s kiss this thing

Come on babe, let s kiss this thing goodbye

Better make it sooner than later Before it all turns sour

Don t you know we d better kiss this thing goodbye, Come on babe, let s kiss thi
s thing

Nothing Ever Happens

Post office clerks put up signs saying position closed
And secretaries turn off typewriters and put on their coats
Janitors padlock the gates
For security guards to patrol
And bachelors phone up their friends for a drink
While the married ones turn on a chat show

And they ll all be lonely tonight and lonely tomorrow

Gentlemen time please, you know we can t serve anymore
Now the traffic lights change to stop, when there s nothing to go
And by five o clock everything s dead
And every third car is a cab
And ignorant people sleep in their bed
Like the doped white mice in the college lab

Nothing ever happens, nothing happens at all
The needle returns to the start of the song
And we all sing along like before

And we ll all be lonely tonight and lonely tomorrow

Telephone exchanges click while there s nobody there
The Martians could land in the carpark and no one would care
Close-circuit cameras in department stores
Shoot the same movie everyday
And the stars of these films neither die nor get killed
Just survive constant action replay

Nothing ever happens, nothing happens at all
The needle returns to the start of the song
And we all sing along like before

And we ll all be lonely tonight and lonely tomorrow

Bill hoardings advertise products that nobody needs
While angry from Manchester writes to complain about
All the repeats on TV
And computer terminals report some gains

In the values of copper and tin
While American businessmen snap up Van Goghs
For the price of a hospital wing

Nothing ever happens, nothing happens at all
The needle returns to the start of the song
And we all sing along like before
Nothing ever happens, nothing happens at all
They ll burn down the synagogues at six o clock
And we ll all go along like before

And we ll all be lonely tonight and lonely tomorrow
