So everything is setteled or so we do pretend
>From a beautiful beginning babe to a muted kind of end
And our seperate possessions are shuffled up on shelves
Like our fingers lock together when we talk about ourselves

Cos you can find yourself a lover
You can make yourself a home
You can want no other ever
But it s never too late to be alone (oh no no no no no no no)

Eb **Bbm**
You can find yourself one day staring into space

With a suitcase waiting by the door
