intro:

E **Bm** (x2)

A **D**
Summer here is over in a million different ways
A **D** **E** **Bm**
You look like a dream sometimes but I don t dream these days
A **D**
Yesterday the snow fell by four o clock it thawed
A **D**
And last night making love to you well honey it was such a fraud

E **Bm**
Cos you can find yourself a lover
E **Bm**
You can make yourself a home
E **Bm**
You can want no other ever
D **E** **A** **D**
But it s never too late to be alone (oh no no no no no no no)
A **D**
(to be alone oh no no no no no no)

So everything is setteled or so we do pretend
>From a beautiful beginning babe to a muted kind of end
And our seperate possessions are shuffled up on shelves
Like our fingers lock together when we talk about ourselves

Cos you can find yourself a lover
You can make yourself a home
You can want no other ever
But it s never too late to be alone (oh no no no no no no no)

E **Bm**
You can find yourself one day staring into space
E **Bm**
With a suitcase waiting by the door
E **A** **Bm** **D**
You can think you ve got it made til it hits you in the face
Bm **D** **E** **A** **D**
That these are not the people you wanted to be before (oh no no no no no no no)

A **D**
Summer here is over you can feel it in the air

>From the down-town shells to the uppland hills
D
The chill is everywhere

E
Cos you can find yourself a lover
E
You can make yourself a home
