KISS THIS THING GOODBYE  
Del Amitri

Intro: **F Bb/G** (3 times) **C7**

**F** **Bb/G**  
It seems like weeks since you looked to me baby  
**F** **Bb/G**  
Without that look of distaste  
**F** **Bb/G**  
I don t know why your feelings are changing  
**C7**  
But I ve seen it in your face  
**F** **Bb/G**  
All these times when our lips were kissing  
**F** **C7**  
Our tongues were telling lies  
**F** **Bb/G**  
And all those signs I ve been missing  
**G7** **C7**  
Were right there in your eyes  
**Bb** **F**  
So come on babe, let s kiss this thing goodbye  
**Bb** **F** **Bb**  
Let s kiss this thing goodbye

I sometimes feel when we re together baby  
Everything has turned out wrong  
And I know you feel exactly the same way  
But sill we carry on  
I ve been waiting up by the window  
Watching these cars go by  
And I tell myself that I ll go through the motion  
For the last time tonight  
So come on babe, let s kiss this thing goodbye, Let s kis this thing goodbye

Now I m watching the tunes foul up the sunrise  
I m watching the lights fade away  
And I m hoping tonight that I ll open the door  
And you ll stand here and say

Come on babe, let s kiss this thing

Come on babe, let s kiss this thing goodbye  
Better make it sooner than later Before it all turns sour  
Don t you know we d better kiss this thing goodbye, Come on babe, let s kiss thi  
s thing
