KISS THIS THING GOODBYE
Del Amitri

Intro: **F# B/G** (3 times) **C#7**

F# **B/G**
It seems like weeks since you looked to me baby

F# **B/G**
Without that look of distaste

F# **B/G**
I don t know why your feelings are changing
C#7

But I ve seen it in your face
F# **B/G**

All these times when our lips were kissing
F# **C#7**

Our tongues were telling lies
F# **B/G**

And all those signs I ve been missing
G#7 **C#7**

Were right there in your eyes
B **F#**
So come on babe, let s kiss this thing goodbye

B **F#** **B**
Let s kiss this thing goodbye

I sometimes feel when we re together baby
Everything has turned out wrong
And I know you feel exactly the same way
But sill we carry on
I ve been waiting up by the window
Watching these cars go by
And I tell myself that I ll go through the motion
For the last time tonight
So come on babe, let s kiss this thing goodbye, Let s kis this thing goodbye

Now I m watching the tunes foul up the sunrise
I m watching the lights fade away
And I m hoping tonight that I ll open the door
And you ll stand here and say

Come on babe, let s kiss this thing

Come on babe, let s kiss this thing goodbye

Better make it sooner than later Before it all turns sour

Don t you know we d better kiss this thing goodbye, Come on babe, let s kiss thi
s thing
