KISS THIS THING GOODBYE
Del Amitri

Intro: **A D/G** (3 times) **E7**

A **D/G**
It seems like weeks since you looked to me baby

A **D/G**
Without that look of distaste

A **D/G**
I don t know why your feelings are changing

E7
But I ve seen it in your face

A **D/G**
All these times when our lips were kissing

A **E7**
Our tongues were telling lies

A **D/G**
And all those signs I ve been missing

B7 **E7**
Were right there in your eyes

D **A**
So come on babe, let s kiss this thing goodbye

D **A** **D**
Let s kiss this thing goodbye

I sometimes feel when we re together baby

Everything has turned out wrong

And I know you feel exactly the same way

But sill we carry on

I ve been waiting up by the window

Watching these cars go by

And I tell myself that I ll go through the motion

For the last time tonight

So come on babe, let s kiss this thing goodbye, Let s kis this thing goodbye

Now I m watching the tunes foul up the sunrise

I m watching the lights fade away

And I m hoping tonight that I ll open the door

And you ll stand here and say

Come on babe, let s kiss this thing

Come on babe, let s kiss this thing goodbye
Better make it sooner than later Before it all turns sour
Don t you know we d better kiss this thing goodbye, Come on babe, let s kiss thi
s thing
