

Sleep Instead Of Teardrops

Del Amitri

Capo 1st fret

Intro

G Cm G Cm

Verse one

G Cm Dsus D C

Cry, cry out your eyes for ever, It won't go away

G Cm Dsus D C

I, I'm just a dumb observer, It's so stupid what I say

Chorus

G G7

Like every one else will do, I'm gonna lie to you

Dm Fm Em7

And tell you that life is cruel but someday you're gonna wake up

Dm7 G C C7

With sleep instead of teardrops in your eyes.

Verse two

And so, nobody lives forever, the crassest of clique

Like time, time is the greatest healer, but it's a murderer a day

Repeat Chorus

Mid 8

C7(Still from last chord of the chorus) Em7 F

You know me holding you won't change anything,

Em7 F

I can't stop this whole charade continuing,

G F

As each consoling kiss remains on your face,

Dm G C C7

Like a stamp.....

Verse three

So cry, cry out those tears and let them, succumb to gravity

And try, try as I might I'll never, fill that vacancy

Last Chorus (A little different to the others at the end)

G G7

Like everyone else will do, I'm gonna lie to you,

Dm Fm Em7

And tell you that life is cruel but someday you're gonna wake up,

Dm7 G C

With sleep instead of teardrops in your eyes,

C7 Em7

Someday your gonna wake up,

F

G

C

With sleep instead of teardrops in your eyes.
