Ill Reach You Delain

This is my first tab so give me feed back, tell me if something is wrong. I m not sure

chords fit exactly to the words because I ve only heard the other version of the song

I think it s close.

I made a few corrections and I m confident that it s fairly correct now.

E B A Am

Remember when you walked out into the rain

E B A Am

The real road and the sky were calling your name

C

Can you hear the whisper

Am

Come and get lost with us

E B A Am

You ve been chasing shadows in your own time

E B A Am

The search for answers that refuse ever to be found

C

So you re compromising

Am

Found a new horizon

E B A

Ever since you left you re always on my mind

Am

Here s to you if you care to listen

C

Here s to you, let me cross the distance

Em C D

Even if you re not here

Em C

I ll reach you

D

I ll reach you

Em C D

Even though you re away, I ${\tt m}$ near

Am D

We forgive and forget

Em

I ll reach you

(Continue progression for the rest of the song)

Seven years and seven days you we been gone Seven years of changing faith and opinion Would you recognize me If you walked beside me

I would keep on waiting, it s been too long

Here s to you if you care to listen Here s to you, let me cross the distance

Even if you re not here
I ll reach you
I ll reach you
Even though you re away, I m near
We forgive and forget
I ll reach you

Even if you re not here
I ll reach you
Oh, I ll reach you
Even though you re away, I m near
We forgive and forget
I ll reach you

I ll reach you
