Intro

Cm Gm Ab Eb Gm Cm

Verse

Cm Gm Ab
Standing in the shadow of our lies

Eb Gm Cm
To hide our imperfections

Gm Fm Ab/Gm
Doing anything we can to hide

Cm Gm Ab
Eyes wide open but still blind

Eb Gm Cm
To see what really matters

Gm Fm
And insecurity won't go

Eb G
See me in shadow

Cm Gm Ab
Standing by the ruins of your soul

That cries for some more meaning

Wondering when you have

Become so cold

Chorus:

So cold

And all the pictures of your past are gone

So cold, so cold

Forget yourself
And who you are

Another life is not that far

Bb Fm Cm Gm Eb Ab Fm Gm Bb Eb Gm Cm (2x)

Standing by the paintings of your dreams

But you have awoken

And all the purples and the greens

Have turned to black

And the ruins of your soul

Have died, no more meaning

Gm **Ab** **Eb** **Fm**

I wonder when you have Become so cold

Chorus

same as intro

Not that far

Not that far
