

We Are The Others

Delain

Hello there! Hope you have fun playing!
It s my first tab and I hope, it s not too wrong...
Thanks for all correction tipps!

Delain -- We are the Others

Intro: **G*** **Em C D...**
We are the others.....

Em C
I m walking with Sophie tonight,
G B/ D
She lives in the air that I breathe;
Em C
I can t get it out of my mind
Bm (C)
How you were left to bleed...

Em
Was it how you dressed?
C
Or how you act?
G
I can t believe
Bm Em
How they could act so violently,
C
Without regret,
G D
Well, we will not forget...

[Chorus]:

Em
We are the others,
C
We are the cast outs,
D
We re the outsiders
Bm
But you can t hide us,
Em
We are the others,
C
Black eyed and battered
G Bm

You re not out there on your own

C

If you feel mistreated,

Em

Torn and cheated,

G Bm

You re not alone,

C

We are the others

(We are the others)

Em C

As simple as air in your lungs,

G B

As simple as words on your lips,

Em C

And no one should take that away,

Bm (C)

No one should argue this

Em

Now with our heads up high,

C

We ll carry on,

G

And carry out,

Bm Em

And we won t let them get us down,

C

Wear us out,

G D

Cause we are not alone...

[Chorus]

[Bridge]:

Em G A

Em

Normal is not the norm,

Em G A

It s just a uniform...

(We are the others)

Em G A

Forget about the norm,

(We re the outsiders)
