

Talkin Bout You
Delbert McClinton

G
Let me tell you bout a girl I know,
G
I met her walkin down a motown street
G
she looked so fine; Oh I wish she were mine
G
I get shook up every time we meet
G **G** **C**
I m talkin bout you; nobody but you; Oh I do mean you
D
I m just trying to get a message through

Let me tell you bout a girl I know.
I ll tell you now she looks so good.
She s got so much skill and such a beautiful build.
She ought to be somewhere in Hollywood.
I m talkin bout you; nobody but you.
Come on, give me a clue so I can get a message through

Let me tell you bout a girl I know
She s sitting right here by my side.
Lovely and lean, that s why I asked her if she
would come along and be my bride.
I m talkin bout you. Nobody but you.
Come on, give me a clue so I can get a message through
[break]
I m talkin bout you; nobody but you; Oh I do mean you
I m just trying to get a message through
