

Come Like You Promise
Delirious

This is a really great bass line when its played fast and it just repeats itself 4 most of the song.

```
g|-----|
d|-----4-5-4-0-----4-5-4-0-----|
a|-----3-2-----3-2-----|
e|--3-3-----3-3-----3-3---|
```

there is one change but its played at the same speed.

```
g|-----|
d|-----5-4-0-----5-4-0-----|
a|-----3-----3-2-----3-----3-2-----|
e|--3-----3-----3-----|
```

after that its just back to the first one. any corrections or anything send to *
