That s falling

```
Hang On To You
Delirious
Verse 1:
And I ll hang on to you
             Asus
Cause you re stronger
       C2
And you keep me from falling
And you brighten the world
             Asus
With your beauty
            C2
Keep me closer
       G
I m calling
PreChorus:
Lookin out like a little child
                                  G F#m A
Holding tight when it all gets wild
Chorus:
And I ll hang on to you
   Αm
                                     Em
                                                 Gmaj7
Nothing in this world will see me through, only you
And I ll hang on to you
                                       Gmaj7
Everyday I live I give to you
Verse 2:
And your love it is true
             Asus
I feel stronger
And I m happy to know you
Cause you shine like the sun
              Asus
And you re brighter
Than the darkness
```

```
PreChorus:
\mathbf{Bm}
Lookin out like a little child
                                  G F#m A
Holding tight when it all gets wild
Chorus:
//And I ll hang on to you
                                      Em
                                                  Gmaj7
Nothing in this world will see me through, only you
And I ll hang on to you
                                        Gmaj7
Everyday I live I give to you//
Verse 3:
Nothing in this world
              Asus
Could ever take your place
        C2
Happiness is found
                   D
In your holy face
In your warm embrace
Solo: D A Em G D A Em G
Chorus:
And I ll hang on to you
                                      Em
                                                  Gmaj7
Nothing in this world will see me through, only you
And I ll hang on to you
                                        Gmaj7
                           Em
Everyday I live I give to you
Solo: D A Em G D A Em G
PreChorus:
Bm
Lookin out like a little child
                                  G F#m A
Holding tight when it all gets wild
```
