

Do You Realise
Delorentos

This song is by the best band in the world, ever. I got the chords off their mini-site so I know it s right. Everyone in the world should have a chance to listen to them they are amazing.

verse one:

G **Em** **G** **Em**
I came to you the other day, to try and find out

G **Em** **C**
You wouldnâ€™t listen but you always have something to say, always have

C
something to say,

G **Em** **G** **Em**
G **Em**
A winning smile with airs and grace can help you ride out, the stormy seas

C
You tease you, always have something to say, always have something to say,

D
Always have something to say, always have something to sayâ€|â€|. .

chorus:

G
Do you realise all youâ€™ve done is cause a rift between us,

C **D**
A rift between your heart and mine

verse two:

G **Em** **G** **Em**
You tread a line most wouldnâ€™t dare, and then you leave

G **Em** **C**
But itâ€™s not over, no youâ€™ve always got a game to play, always got a game

C

to play,

G **Em** **G** **Em**
And I can't stop you because I don't want to

G **Em** **C**
It's much easier to, turn and look the other way, turn and look the other

C
way,

D
Turn and look the other way, turn and look the other way..

chorus:

G
Do you realise all you've done is cause a rift between us,

C **D**
A rift between your heart and mine

middle eight:

Em **G**
I can't stop you, cause I don't want to

bridge:

G **Em** **C**
It's much easier to, turn and look the other way, turn and look the other

C
way,

D
Turn and look the other way, turn and look the other way..

chorus:

G
Do you realise all you've done is cause a rift between us,

C **D**
A rift between your heart and mine
