

Neon Acoustic
Delorentos

Righto - my first proper chordy-tab, standard tuning, no capo.

Theres two guitars, but im too naff at guitar to work the other out. hit me up and let me know anything you want me to.

I was sent this song, i have no idea where you could find it. But im happy to send it to over MSN, and i also have the extended version of Neon for people who prefer electric guitar.

Bm, D, A, Em - [intro]

[Verse]

Bm **D**
Later, when it s cold
A **Em**
There are places that we can go
Bm **D**
Another denial, standing under the neon light
A
Standing down where we had chance
Em
And we can go anywhere from here

[Pre-Chorus]

Bm, D, A, Em - (fast, all picked)

[Chorus]

A
If you let me back again
Em **Bm (picked)**
I will always treat you right

A
If you let me back again
Em **Bm (picked)**
I will always treat you right

Bm **D**
Striking, setting sparks

A **Em**
In the silence of the dark
Bm **D**
Your cigarette, is lighting the way ahead
A
Taking another path
Em
And we can go anywhere from here
Em, D, A, Em - fast, all picked

A
If you let me back again
Em **Bm (picked)**
I will always treat you right

A
If you let me back again
Em **Bm (picked)**
I will always treat you right

Instrumental - A, Em, Bm (hammers on 3rd fret B-string?)

A
If you let me back again
Em
I will always treat you right.

I have a feeling that the Em could be an Em7? play around!
