

A Little Too Late
Delta Goodrem

[INTRO]

Em D5 : Asus4 A : 2x

[VERSE 1]

They say, I m a little to young to understand
But it s a little to late too hold my hand
You know I never subscribe to yes sir no sir
gonna learn gonna love gonna take my chance
It s a little too late for you to say
That I m a little too young to feel this way

[CHORUS]

cause I just wanna be loved just wanna be heard
Be lost in the feeling standing here
At the door to my life
Now that day has arrived so loud and clear
You ll hear me singing
Do do, doo do, do do do do, I m singing
Do do, doo do, do do do do

[VERSE 2]

They say, I m a little too lost without you here
