**A2**

I won t hurt you

**E**

Iâ€™ll protect you

**Bm**

I won t let the rain fall down

**F#m**

Iâ€™ll always be around

**A2**

And baby I will understand if sometimes

**E**

**Bm**

You just want to spread your wings and fly

**F#m**

And let your colours shine

**Am**

**Em**

And everyday I wanna be a risk you take

**Am**

**E**

Make a promise that will never break for life

**B**

You re my butterfly

**F#M**

Don t fly away

**C#m**

Open my hands your free

**A2**

Praying you ll come back to me

**B**

You re my butterfly

**F#M**

Don t fly away

**C#m**

You re my reality

**A2**

Always be my gravity

**B**

You re my butterfly

**A2**

I won t forget you

**E**

Or neglect you

**Bm**

Won t let no one take your place

**F#m**

In your eyes I see my face

**A2**

**E**

And baby do you know that everybody watches

**Bm**

Every time that you take flight

**F#m**

They re blinded by your light

**Am**

**Em**

Every day the feeling s gonna be the same

**Am**

**E**

I can promise that will never change for life

**C#m**

I won't hurt you

I'll protect you

**B**

Always be around

**Am**

**Em**

And everyday I wanna be a risk you take

**Am**

**E**

Make a promise that will never break for life

**B**

You re my butterfly

**F#M**

Don t fly away

Open my hands your free

**A2**

Praying you ll come back to me

You re my butterfly
