Heart Hypnotic

Delta Goodrem

Capo 1

Verse 1

D

Grey skies over a setting sea heartbreak that sounds like a symphony

G

Future memories at the thought of you perfect moments of a desperate youth

D

Sun light burning into the moon just like all of the things you do

G

The way you got me yeah you in control

You can hypnotize me you hypnotize me

Chorus

D

I don't I don't know what this is

G

But I know I love it baby yes I know

You got my heart hypnotic and no letting go (Repeat chorus)

D G Bm G

Verse 2

D

Dark nights under the setting sun bright lights come we're the only one

G

I've got this vision how it's supposed to be

There's a fortune teller telling you and me

D

Your light is beaming inside of you that's how you mesmerise me too

G

The way you got me yeah you in control

You can hypnotize me you hypnotize me

Chorus x 2
