Delta Goodrem

This is weird, but listening to Delta sing this makes me imagine Celine Dion singing this song. Maybe Delta sounds like her.

The intro is actually a piano appoggio, but the chords used here are based on the double bass, and they are the same that will be used for the chorus & verses.

Intro: **B, F#, Db, B, F#, Db, F#** (ring)

Verse

B
I see you everyday
B
I guess we walk the same way
F# F#
To wherever we re going
B
Every morning and every night
