

Mistaken Identity

Delta Goodrem

Mistaken Identity:

Dm F G (F, G, G#)-single notes
The girl in the chair with the long golden hair

Dm F G
Well that used to be me

Dm F G (F, G, G#)-single notes
A flirtatious smile unpredictably wild

Dm F G
Always trying to please

Dm F G
I was always walking one step ahead

Dm F G
Or so I thought until the monster crawled into my bed

Dm F G
Rewind and erase that shock look on your face

Dm F G
cause your mona lisa is dead

A# A A# A
A million words a thousand days

Dm F G A#, A
The girl I used to be
Dm F G A#, A
has a terrible case of mistaken identity

Dm F G
And yesterday s girl is not what you see
Dm F G Dm, F, G
It s a terrible case of mistaken identity

Cm D# F
The sun likes to rise and the moon likes to fall
Cm D# F (D#, F, F#)
And that s kinda like my life

Cm D# F
I ve played the role of the nice girl next door
Cm D# F
Who gets cut like a knife

Cm D# F
Now I m not looking for apologie eyes

Cm D# F Cm D# F
And I don t want to spend a night on a bed of beautiful lies
Cm D# F Cm D# F
Erase and rewind leave that sick girl behind and fast forward, fast forward

G# G
A thousand days
Dm F G A#, A

The girl I used to be
Dm F G A#, A
has a terrible case of mistaken identity

Dm F G

And yesterday s girl is not what you see

Dm F G Dm, F, G

It s a terrible case of mistaken identity

I m not sure of that last bit cos I think theres another key change or something
but yeah

thats about what I got! Enjoy, I hope its correct
